Enviada per vgrau el 27/Mar/2017 - 11:38

Durant aquesta setmana, l'alumnat que participa del projectes Erasmus+ i també la resta de l'alumnat del centre, podran compartir activitats amb l'alumnat d'aquest programa provinent de Sicília. A continuació teniu el programa complet d'activitats. Dir-vos que avui ja han començat les participacions del nostre alumnat i com a premi han pogut gaudir d'un esmorzar a base de coca i xocolata. Esperem poder tenir més sorpreses durant la setmana. Finalment hi ha hagut un dinar conjunt al centre per tal de preparar tota la setmana.

Aquesta trobada s'emmarca dins del conjunt de reunions bilaterals que es porten a terme durant els tres anys que dura aquest projecte.
