## Activitats: It's magic!

Enviada per fluna el 16/Mai/2017 - 13:07

**Jack The Magic Teacher** was in or high school today. With his magic tricks he presented an entertaining and interactive show with the participation of 1st and 2nd ESO students. Rings, cards, coins, balls and other gadgets appeared and disappeared thanks to his magic wand and his skills, of course !. All students enjoyed an hour show in English.

Thank you, Jack ! It's been a great show !
